Yes _____, I only want to be a rotating vendor.

No _____, I am not interested in participating on a rotating basis and would only be interested in participating for the full season from April 13th to November 30th. _____, I am interested in any availability.

****Rotating frequency is to be determined by CFM Management. A rotating vendor may not vend on days they are not scheduled unless invited by the CFM staff.***

The City of Charleston Office of Cultural Affairs invites eligible artisans and crafters to participate in the 2013 season of the Charleston Farmers Market in accordance with the guidelines and criteria outlined in this application/participation agreement. While we anticipate the CFM will soon face additional space constraints arising from construction projects on sites adjacent to Marion Square and based on the park's overall capacity, the Office of Cultural Affairs remains committed to ensuring the continuing success of this vital resource. We welcome applications from participating artisans from the 2012 season, and we will also consider applications from eligible artisans who have not participated in past seasons on a space-available basis. While specific locations, a specific number of tents, or a specific frequency of participation for rotating vendors cannot be guaranteed, applicants may contact the Farmers Market Manager at any time to discuss specific requests or special needs.
