The following rules and regulations apply:

- CFM Rules and Regulations apply to performers for set up, conduct, and cleanup during market hours. Performers are responsible for respecting spaces provided for performance by keeping them free from unnecessary clutter.
- Performances must be appropriate for all ages.
- The Charleston Farmers Market has been careful to choose entertainers who are appropriate for this venue. We want to put the same care and consideration into choosing performers. We need to vet our applicants to be sure we maintain a quality of performance that is appropriate for the setting and the culture of the market. After receiving your application and audio or video samples, we'll get back to confirm whether the fit is right and to discuss possible dates.
- Donations for performances may be accepted passively in an instrument case or other receptacle provided for that purpose by the performer. The receptacle may include a written sign that informs the public that such donations are sought. No performer shall actively solicit donations by word of mouth, gesture, mechanical devices, or second parties.
- Performers are responsible for moderating the volume of their performance to a level appropriate to the surroundings. Performers are responsible for respecting reasonable requests of nearby vendors regarding performance volume and crowd control.
- Performers shall immediately comply with requests of the Market Manager or Market staff.
